

SEEING THE VALUE OF CITY HALL

City Hall and Place Making

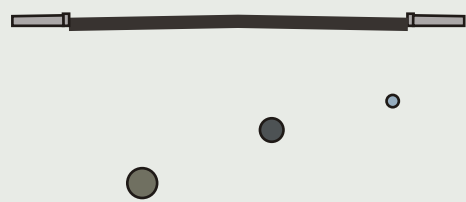

Start with this landscape.

County of state government constructs a rural road.....

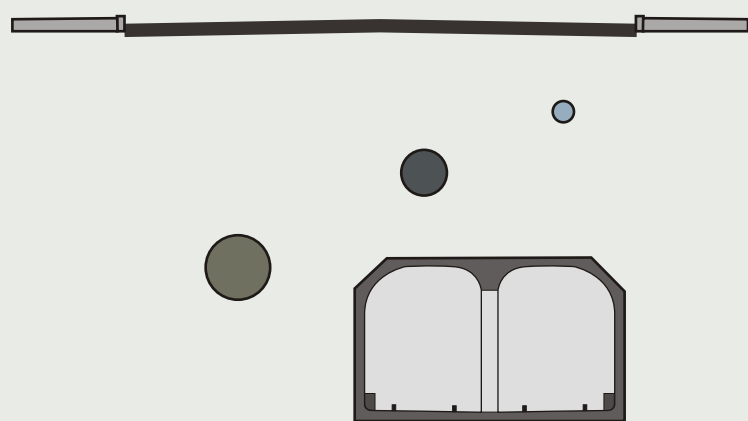

.....to create this place.

City government annexes the area, zones it for residential development, and oversees the construction of residential streets with utilities.....

.....to create this place.

Over time, "City Hall" approves land-use changes, while financing the reconstruction and upgrade of public infrastructure.....

.....to create this place.
